## **Ken Nicol & Wendy Ross**

From the legendary folk band, Magna Carta, comes a new duo. Ken Nicol and violinist Wendy Ross combine in a tour de force of music, song, storytelling and comedy. Ken, with a pedigree including such luminaries as Steeleye Span, Al Stewart and The Albion Band, is considered one of the UK's top guitarists. Classically trained Wendy, who's worked in Philharmonic Orchestras to touring bands, adds a true touch of class. An evening that will raise the spirits, touch your emotions and make you smile.

And playing with them; Steve Conway on the Pedal guitar.
